# INDEX OF AUTHORS AND SUBJECTS.

## VOL. XXXVIII.

Accessory Sinus Diseases, with Eye Complications, (Evans) 526
Accommodation, Astigmatic, under the Influence of the Unilateral Action of Homatropine and Eserin, (S. Brandes) 304
Accommodation, Charts of, and Need of Revising Prevalent Ideas, (A. Duane) 168
ALLING, A. N., A Case of Subconjunctival Cysticercus Cellulosæ, 591
ALTLAND, W., Chronic Progressive External Ophthalmoplegia, 296
Amaurotic Family Idiocy, (H. W. Wandless) 411
Amaurotic Family Idiocy, with Histological Examination of the Eyes, (H. F. Verhoeff) 107
Amblyopia ex Anopsia, (Gonin) 499
AMMON, V., Periostitis and Osteomyelitis of the Roof of the Orbit, 284
Anatomy, Reports on, 175, 415
Aniline Dyes, Action of, on the Eyes, (Kuwahara) 299
Aniridia, Total Congenital, (Seefelder) 52
Anterior Chamber, Oil Drop in the, 548
Aqueous Humor, On the Occurrence of Opsonins in the, (A. Knapp) 372
Artificial Eye, Spontaneous Bursting of, 103
Artificial Stump, Transplantation of Fat for Production of a Good, after Enucleation, (Bartels) 56
Astigmatism, Disappearance of, after Needling Operation, 322
Atoxyl, Experimental Studies Concerning the Action of, upon the Eye, (Igersheimer) 72
Atoxyl-Injuries to the Eye, 96
Atropine, Abuse of, in Refraction Work, (R. R. Cruise) 403
Atropine, Paresis of Eye Muscles, after Poisoning by, (K. Baas) 301
AXENFELD, T., in Collaboration with other Authors, "Lehrbuch der Augenheilkunde," (Text-Book of Ophthalmology), Review of, 224

BAER, C., Study of Injury from Percussion Caps, 289
Benham's Top, Colors of, (A. S. Percival) 309
BERGER, E., Visual Disturbance Due to the Use of Hair Dye Containing Anilin, 397
BIELSCHOWSKY, Unusual Symptoms in Mental Blindness, 65
Bi-Focals, Decentration of, (Percival) 425
Binocular Vision, Diaphragm Test for, and its Disorders, (N. B. Harman) 650
Blennorrhœa, Blenolenicet Ointment in, (Adam) 77
Blenolenicet Salve, Pro and Con, 538
Blepharo-Conjunctivitis, Histological Investigation of a Case of, Caused by the Diplobacillus of Morax-Axenfeld, (Brown Pusey) 8

Blindness, Pathological Changes in Visual Centre in Cerebral, (Best) 69; Prognosis and Advice in Approaching, Discussion on, 495; Unusual Symptoms in Mental (Bielschowsky) 65
Blood-Vessels, Reflex Streak in the, (Dimmer) 178
Book Reviews, 224, 342, 432, 677
BORDLEY, J., and CUSHING, H., Alterations in the Color-Fields in Cases of Brain Tumor, 451
Brain Tumor, Alterations in the Color Fields in Cases of, (J. Bordley and H. Cushing) 451
Brain Tumor, Optic Neuritis in Cases of, (Sir Victor Horsley) 641
BRANDES, S., Astigmatic Accommodation under the Influence of the Unilateral Action of Homatropine and Eserin, 304
British Medical Association, Report of the Proceedings of the Section on Ophthalmology of the, 635
Buphthalmos, Glazing of Iris in, with Remarks on Weinstein's Theory on Descemet's Membrane, 304
Buphthalmos and Semilateral Hypertrophy of the Face, (v. Michel) 44
BURGE, W. E., Analysis of the Ash of the Normal and Cataractous Lens, 435

Canaliculi, Cases of Concretions in both Lower and Upper, (G. S. Derby) 581; Mould-Concretions in the, (Auerbach) 306. *See* Lachrymal Apparatus *also*
Canaliculus, Mould Concretion in the Upper, (Hosch) 303
Canaliculus, Streptothrix from the, (E. Gruening) 404
Carcinoma, Epibulbar Squamous, (J. Wolff) 166
CARPENTER, G., Tubercle of the Choroid, 401
CARVILL, MAUD, Congenital Fistulæ of the Lachrymal Canaliculi, 585
Cataract, Extraction of, (Valude) 501; Extraction of, in Diabetics, (W. Uhthoff) 49; Extraction of, in the Capsule, (A. E. J. Lister) 571; Extraction of, in the Capsule, Discussion on, 503; Formation of Pupillary Membranes after Extraction of, (E. S. Thomson) 261; Four Generations of Lamellar, (B. Harman) 308; Pathogeny of Primary, (Scalini and Botazzi) 510; Pedigrees of Hereditary, (E. Nettleship) 313; Scleral Collapse during Extraction of, (J. S. Fernandez) 276; Some Observations on the Extraction of, (Elliot) 162; Specific Treatment of Incipient Senile, (Roemer) 68; Treatment of Incipient, with Potassium Iodide, 502;
Cataract and Glaucoma, Incision of the Eye, with Reference to the Extraction of the One and Relief of the Other, (W. E. McKechnie) 227
Cataract Lenses, Anastigmatic, in Practice, (Hertel) 47; The Theory of Anastigmatic, (v. Rohr) 47
Cerebro-Spinal Fluid, Cytological Studies of the, in Patients with Eye Disease, (Fleischer) 74
CHANCE, B., Cystic Formation of the Pars Ciliaris Retinæ, Following a Perforating Wound in the Ciliary Region, 115
Chlorosis, Neuro-Retinitis in, (W. C. Posey) 473
Choked Disk, Palliative Trepanation for, (v. Hippel) 50
Chorioretinitis, Case of, (E. L. Oatman) 81
Chorioretinitis, Hemorrhagic Central, in Non-Myopic Eyes, (C. J. Kipp) 595
Chorioretinitis Tumida, (C. J. Kipp) 382
Choroid, Post-Operative Detachment of the, Following Iridectomy for Glaucoma, (F. Fischer) 153
Choroid, Reports on Diseases of the, 208, 559; Tubercle of the, (G. Carpenter) 401
Choroiditis, Case of Plastic, (J. R. Shannon) 79
Ciliary Region, Cystic Formation in the, by the Pars Ciliaris Retinæ, Following a Perforating Wound, (B. Chance and H. G. Goldberg) 115
Ciliary Region, Sarcoma of the, (W. B. Marple) 325
Cilio-Retinal Artery, Obstruction of the, (A. Levy) 311
